

## WHO ARE WE?

Free Stuff for Daily Needs was founded by Barry and Theresa Buker. Just an ordinary couple that strongly feels that Jesus has laid it on their hearts to assist people around them by freely giving people items to assist them in their day-to-day life.

## WHAT DO WE DO?

Since 1999, they have been progressively helping more and more people every year, 6 days a week (Mon-Sat). An average of 2,000 families a year from all over Muskoka/Parry Sound/Georgian Bay Township region. That is about 10-20 truckloads of household items, big and small every week that is given away for FREE to anyone who needs it.

Donations of normal everyday useful items used in a home are collected and given away to anyone who needs it for FREE! These items are donated from hundreds of generous members of our community.

Donations of anything big or small normally used in a home are accepted. That includes: linens, electrical, appliances, clothes, furniture, baby items, etc., etc. If you have it and have used it in your home, then likely someone else could use it

# FREE STUFF FOR DAILY NEEDS

This is a Jesus-birtherd ministry  
that gives humanitarian aid in the  
form of everyday useful items to  
citizens in our community of  
Muskoka/Parry Sound and  
Georgian Bay Townships.

These may be people ranging  
from the young adults starting out,  
to people who've fallen on hard  
times, or are just struggling in  
everyday life.
